  - (b) For an annual fixed amount license fee which an individual, partnership, professional association, joint venture, or corporation may elect to pay in lieu of reporting and paying the percentage rate as provided in this subsection on net profits of businesses, trades, professions, or occupations from activities conducted in the county.

    2. To further this intent, no company providing multichannel video programming services or communications services as defined in KRS 136.602 shall be required to pay a license tax. If only a portion of an entity's business is providing multichannel video programming services including products or services that are related to and provided in support of the multichannel video programming services or communications

services, this exclusion applies only to that portion of the business that provides multichannel video programming services or communications services, including products or services that are related to and provided in support of the multichannel video programming services or communications services.

- (d) No license tax shall be imposed upon or collected from any insurance company except as provided in KRS 91A.080, bank, trust company, combined bank and trust company, combined trust, banking, and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license fee.
- (5) No license fee shall be imposed or collected on income received by members of the Kentucky National Guard for active duty training, unit training assemblies, and annual field training, or on income received by precinct workers for election training or work at election booths in state, county, and local primary, regular, or special elections, or upon any profits, earnings, or distributions of an investment fund which would qualify under KRS 154.20-250 to 154.20-284 to the extent any profits, earnings, or distributions would not be taxable to an individual investor.
- (6) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may, upon agreement between the county and the city, credit their city license fee against their county license fee. As used in this subsection, "city contained in the county" shall include a city that is in more than one (1) county.
- (7) The provisions of subsection (6) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall be allowed to credit their city license fee against their county license fee. As used in this subsection, "city contained in the county" shall include a city that is in more than one (1) county.
- (8) On July 14, 2000, the provisions of subsection (7) of this section notwithstanding, city license fees not credited against county license fees enacted under this section or KRS 67.083 as of January 1, 2000, shall not be credited against county license fees. However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire July 15, 2002, unless otherwise extended by the General Assembly.
- (9) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).
- (10) Notwithstanding any statute to the contrary:
  - (a) In those counties where a license fee has been authorized by a public question approved by the voters, there shall be no credit of a city license fee against a county license fee except by agreement between the county and the city in accordance with subsection (6) of this section;

- (b) Notwithstanding any provision of the KRS to the contrary, no taxpayer shall be refunded or credited for any overpayment of a license tax paid to any county to the extent the overpayment is attributable to or derives from this section as it existed at any time subsequent to July 15, 1986, and the taxpayer seeks a credit for a license tax paid to a city located within such county, if such refund claim or amended tax return claim was filed or perfected after November 18, 2004, except by agreement between the city and county in accordance with subsection (6) of this section;
  - (c) In those counties where a license fee has been authorized by a public question approved by the voters, the percentage rate of the license fee in effect on January 1, 2005, and any maximum salary limit upon which the license fee is calculated shall remain unchanged for subsequent fiscal years. A percentage rate higher than the percentage rate in effect on January 1, 2005, or any change in the maximum salary limit upon which a license fee is calculated shall be prohibited unless approved by the voters at a public referendum. The percentage rate of a license fee in such counties shall at no time exceed one percent (1%). Any question to be placed before the voters as a result of this paragraph shall be placed on the ballot at a regular election or nominating primary.
  - (d) This subsection shall have retroactive application; and
  - (e) If any provision of this subsection or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of this section that can be given effect without the invalid provision or application, and to this end the provisions of this subsection are severable.
- (11) Pursuant to this section, no fiscal court shall regulate any aspect of the manner in which any duly ordained, commissioned, or denominationally licensed minister of religion may perform his or her duties and activities as a minister of religion. Duly ordained, commissioned, or denominationally licensed ministers of religion shall be subject to the same license fees imposed on others in the county on salaries, wages, commissions, and other compensation earned for work done and services performed or rendered.
